

Future-proof your payment process

Flywire has been solving complex payment problems for education institutions since 2011. Today, we continue to remove boundaries by connecting millions of students with more than 2,000 institutions to improve the payment experience worldwide.

Backed by our powerful global payment network, Flywire's comprehensive receivables solution delivers on life's most important moments by enabling institutions to seamlessly receive and reconcile payments from anyone, anywhere in the world—at any time.

Mix and match our products to build your ideal solution:

Education Payments: Seamlessly receive and reconcile your cross-border and domestic payments from anyone, anywhere in the world—at any time.

Payment Plans: Offer flexible self-service payment options that make education costs more manageable for your students and their families.

A/R Collect: Automate your past-due receivables process to proactively collect on more accounts internally, reduce your collection agency placements, and keep more students enrolled.

Third-Party Tools: Manage communications and streamline payment tracking and reconciliation for transactions facilitated by third parties such as agents.

eStore: Create, manage and track a robust online marketplace of stores where students, alumni and others can securely purchase goods and services as well as register for events.

Secure Checkout: Capture payments easily and securely while reducing your PCI scope to protect your students and your institution.

Virtual Terminal: Centralize student billing and non-student account transactions on a single, easy-to-use payment platform.

Billing: Review account activity and send actionable reminders that engage students and encourage them to make timely payments.

Refunds: Streamline your refunds process with efficient bundling options to ease the return of funds to original payers when needed.

1098-T: Provide 1098-T forms to students and authorized users directly from the Flywire platform.
